NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that the annual meeting (“**Meeting**”) of the shareholders (“**Shareholders**”) of Osisko Metals Incorporated (the “**Corporation**”) will be held on Friday, June 16, 2023 at 12:00 p.m. (Montréal time) at the offices of Lavery de Billy, L.L.P., Suite 4000, 1 Place Ville Marie, Montréal, Québec, Canada.

The Meeting is held for the following purposes:

1. To receive the audited financial statements of the Corporation for the fiscal year ended December 31, 2022, together with the auditors’ report thereon;
2. To fix the number of directors at six (6);
3. To elect directors for the ensuing year;
4. To appoint PricewaterhouseCoopers LLP, Chartered Professional Accountants, as auditors for the ensuing year and to authorize the directors to fix their remuneration;
5. To consider and, if thought advisable, to pass, with or without variation, an ordinary resolution to approve the Corporation’s 10% rolling stock option plan, as more particularly described in the accompanying Management Information Circular (“**Circular**”); and
6. To transact such further or other business as may properly come before the meeting or any adjournment or adjournments thereof.

Accompanying this Notice is the Circular which provides information relating to the matters to be addressed at the Meeting and is incorporated into this Notice.

Registered Shareholders

Every registered holder (“**Registered Shareholder**”) of common shares of the Corporation (“**Common Shares**”) at the close of business on May 1, 2023 (the “**Record Date**”) is entitled to receive notice, and to vote such Common Shares at the Meeting, except to the extent that such registered holder has transferred the ownership of any of his, her or its Common Shares after the Record Date and the transferee of such Common Shares produces properly endorsed share certificates or otherwise establishes that he, she or it owns the Common Shares and demands, not later than ten (10) days before the Meeting, that he, she or it be entitled to vote such Common Shares at the Meeting.

Registered Shareholders who are unable to attend the Meeting in person and who wish to ensure that their Common Shares will be voted at the Meeting are requested to complete, sign and deliver the enclosed form of proxy to the Corporation, c/o TSX Trust Company at P.O. Box 721, Agincourt, Ontario, M1S 0A1, or alternatively, to vote using the internet or in person at their discretion, in accordance with the enclosed instructions. In order to be valid and acted upon at the Meeting, forms of proxy must be returned to the aforesaid address not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time set for the holding of the Meeting or any adjournment(s) thereof. Further instructions with respect to the voting by proxy are provided in the form of proxy and in the Circular accompanying this Notice.

Non-Registered Shareholders

Shareholders may beneficially own Common Shares that are registered in the name of a broker, another intermediary or an agent of that broker or intermediary ("**Non-Registered Shareholders**"). Without specific instructions, intermediaries are prohibited from voting Common Shares for their clients. If you are a Non-Registered Shareholder, it is vital that the voting instruction form provided to you by your broker, intermediary or its agent is returned according to their instructions, sufficiently in advance of the deadline specified by the broker, intermediary or its agent, to ensure that they are able to provide voting instructions on your behalf.

DATED at Montréal, Québec, this 3rd day of May, 2023.

MANAGEMENT INFORMATION CIRCULAR

(Containing information as at May 1, 2023 unless indicated otherwise)

NOTICE AND ACCESS

The Corporation has opted to use the Notice and Access rules adopted by Canadian Securities regulators to reduce the volume of paper in the meeting materials distributed for the annual meeting of shareholders to be held on Friday, June 16, 2023 at 12:00 p.m. (the “**Meeting**”). Instead of receiving this Management Information Circular (the “**Circular**”) with the form of proxy or voting instruction form, shareholders will receive a Notice of Meeting with instructions for accessing the remaining Meeting materials electronically. Notice and Access benefits shareholders of the Corporation (the “**Shareholders**”) by expediting Shareholders’ receipt of meeting materials, lowering printing and distribution costs, and reducing the environmental impact of the Meeting.

The Corporation sent the Notice of Meeting and proxy form directly to registered Shareholders. The Corporation intends to pay for intermediaries to deliver the Notice of Meeting request for voting instructions and other meeting materials to non-registered shareholders.

This Circular and other relevant materials are available via the internet at www.osiskometals.com, on the System of Electronic Document Analysis and Retrieval (“**SEDAR**”) site at www.sedar.com under the Corporation’s profile, or at <https://www.meetingdocuments.com/TSXT/OM>.

The Corporation will not be using stratification as it relates to Notice and Access.

If you would like to receive a paper copy of the current Meeting materials by mail prior to the Meeting, you must request them from TSX Trust Company at tsx-fulfilment@tmx.com or by calling TSX Trust Company toll free at 1-888-433-6443 on or before June 12, 2023. There is no charge to you for requesting a copy.

To obtain paper copies of the Meeting materials after the Meeting date, please contact the Corporation as follows: by mail, Osisko Metals Incorporated, 1100 Avenue des Canadiens de Montreal, Suite 300, Montreal, Québec H3B 2S2, by telephone at (514) 861-4441, or by email at info@osiskometals.com.

SOLICITATION OF PROXIES

This Circular is furnished in connection with the solicitation of proxies by the management of the Corporation for use at the Meeting (and any adjournment thereof) to be held on Friday, June 16, 2023 at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors, officers and regular employees of the Corporation at nominal cost. All costs of solicitation by management will be borne by the Corporation (“**Management**”).

The contents of this Circular have been approved by the directors of the Corporation.

APPOINTMENT OF PROXYHOLDER

The individuals named in the accompanying form of Proxy are directors and/or officers (“**Management’s Nominees**”) of the Corporation. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT THEM AT THE MEETING HAS THE RIGHT TO DO SO, BY INSERTING THE DESIRED PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER FORM OF PROXY.**

A Proxy will not be valid unless the completed form of Proxy is received by TSX Trust Company at P.O. Box 721, Agincourt, Ontario, M1S 0A1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof. Proxies delivered after that time will not be accepted.

REVOCATION OF PROXIES

A Shareholder who has given a proxy (a "**Proxy**") may revoke it by an instrument in writing executed by the Shareholder or by his, her or its attorney authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered to the registered office of the Corporation, at Suite 2300, 550 Burrard Street, Vancouver, British Columbia, V6C 2B5 at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

INFORMATION FOR NON-REGISTERED SHAREHOLDERS

Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders are "non-registered" Shareholders because the shares they own are not registered in their names but are instead registered in the names of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their shares in their own name (referred to herein as "Beneficial Shareholders") should note that only Registered Shareholders may vote at the Meeting. If common shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those common shares will not be registered in such Shareholder's name on the records of the Corporation. Such common shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which company acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the brokers' clients. Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of Proxy supplied to a Beneficial Shareholder by its broker is identical to the form of Proxy provided by the Corporation to the Registered Shareholders. However, its purpose is limited to instructing the Registered Shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of Common Shares must be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted.**

This Circular and accompanying materials are being sent to both Registered Shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being

known to the issuers of securities which they own (“**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**NOBOs**”). Subject to the provisions of *National Instrument 54-101 Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers may request and obtain a list of their NOBOs from intermediaries via their transfer agents. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly (not via Broadridge) to such NOBOs. If you are a Beneficial Shareholder, and the Corporation or its agent has sent these materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the Common Shares on your behalf.

The Corporation’s OBOs can expect to be contacted by Broadridge or their brokers or their broker’s agents as set out above.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his, her or its broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker.**

All references to Shareholders in this Circular and the accompanying form of Proxy and Notice of Meeting are to Shareholders of record unless specifically stated otherwise.

VOTING OF PROXIES

The Common Shares represented by a properly executed proxy in favour of persons proposed by Management as proxyholders in the accompanying form of proxy will:

- (a) be voted or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be taken; and
- (b) where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specification made in such proxy.

ON A POLL SUCH COMMON SHARES WILL BE VOTED **IN FAVOUR** OF EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED BY THE SHAREHOLDER.

There are three ways that Registered Shareholders can vote their Common Shares. A Shareholder is a Registered Shareholder if their name appears on their share certificate. A Registered Shareholder may (i) vote in person at the Meeting, (ii) complete and sign the enclosed form of Proxy and appoint one of the named persons or another person the Shareholder chooses to represent them and to vote their Common Shares at the Meeting and mail it, (iii) or vote electronically on the internet. The Shareholder should make sure that the person they appoint is aware that he or she is appointed and attends the Meeting. Completing, signing and returning the form of Proxy does not preclude the Shareholder from attending the Meeting in person. If the Shareholder does not wish to attend the Meeting or does not wish to vote in person, the Shareholder’s Proxy will be voted or be withheld from voting, in accordance with their instructions specified on their Proxy, on any ballot that may be called at the Meeting. If the Shareholder is a corporation or other legal entity, the form of Proxy must be signed by an officer or attorney authorized by such corporation or other legal entity.

To vote electronically, a Registered Shareholder must go to the following internet site: www.tsxtrust.com/vote-proxy and enter their personalized 13-digit e-voting control number printed on their form of Proxy and follow the instructions on the screen.

If a Registered Shareholder wishes to attend the Meeting and vote their Common Shares in person at the Meeting, it is not necessary for the Registered Shareholder to complete or return the form of Proxy. A Registered Shareholder vote will be taken and counted at the Meeting. A Registered Shareholder should register with the transfer agent, TSX Trust Company, upon arrival at the Meeting.

The form of Proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed Proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of Proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Circular, Management knows of no such amendment, variation or other matter which may be presented to the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as set forth in this Circular, no person who has been a director or executive officer of the Corporation at any time since the beginning of the Corporation's last financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any of the foregoing, has any material interest, directly or indirectly, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon other than the election of directors or the appointment of auditors. Directors and executive officers may also be interested in the approval of the Corporation's option plan (as proposed to be amended) as detailed below. See "*Particulars of Matters to be Acted Upon – Approval of the Amended Plan*".

On a show of hands, every individual who is present and is entitled to vote as a Shareholder or as a representative of one or more corporate Shareholders, or who is holding a Proxy on behalf of a Shareholder who is not present at the Meeting, will have one vote, and on a poll every Shareholder present in person or represented by a Proxy and every person who is a representative of one or more corporate Shareholders, will have one vote for each Common Share registered in his, her or its name on the list of Shareholders, which is available for inspection during normal business hours at TSX Trust Company and will be available at the Meeting.

PARTICULARS OF MATTERS TO BE ACTED UPON

Financial Statements

The shareholders will receive and consider the audited financial statements of the Corporation for the fiscal year ended December 31, 2022, together with the auditor's report thereon.

Setting Number of Directors

The Board proposes that the number of directors of the Corporation be fixed at six (6). Shareholders will therefore be asked to approve an ordinary resolution that determines the number of directors to be elected at six (6).

Election of Directors

The term of office of each of the present directors expires at the Meeting. Unless the director's office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia), each director elected will hold office until the next annual meeting of the Corporation or until his or her successor is elected or appointed.

The constating documents of the Corporation include an advance notice provision. The purpose of the advance notice provision is to provide shareholders, directors and management of the Corporation with direction on the procedure for shareholder nomination of directors. The advance notice provision is the framework by which the Corporation seeks to fix a deadline by which holders of record of Common Shares of the Corporation must submit director nominations to the Corporation prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Corporation for the notice to be in proper written form. The Corporation did not receive notice of any director nominations in connection with the Meeting within the time periods prescribed by the Articles. Accordingly, at the Meeting, the only persons eligible to be nominated for election to the Board are the nominees set forth below.

Unless the Shareholder has specifically instructed in the form of proxy that the Common Shares represented by such proxy are to be withheld or voted otherwise, the persons named in the proxy will vote FOR the election of each of the proposed nominees set forth below as directors of the Corporation.

The following table and notes thereto states the name of each person proposed to be nominated by management for election as a director (a "**proposed director**"), the province and country in which he or she is ordinarily resident, all offices of the Corporation now held by him or her, his or her principal occupation, business or employment for the five preceding years for new director nominees, the period of time for which he or she has been a director of the Corporation, and the number of Common Shares of the Corporation beneficially owned by him, or controlled or directed, directly or indirectly, or over which he or she exercises control or direction, as of May 1, 2023.

Reapproval of the 10% Rolling Stock Option Plan

The Corporation’s current Option Plan was initially adopted on September 10, 2018. On June 23, 2022, Shareholders approved the amended and restated stock option plan of the Corporation to ensure that it complies with the current requirements of the TSXV (the “**Option Plan**”). As a “rolling” stock option plan, the Option Plan is required, pursuant to the policies of the TSX Venture Exchange (the “**TSXV**”), to be re-approved by the Shareholders each year at the Corporation’s annual meeting. As of the Record Date, there are 12,156,134 outstanding under the Option Plan, and 12,426,359 additional Options may be granted (based on the current issued capital of 245,824,935 Common Shares). Notice of Options granted under the Option Plan must be given to the TSXV on a monthly basis. Any amendments to the Option Plan must also be approved by the TSXV and, if necessary, by the Shareholders of the Corporation prior to becoming effective.

Summary of the Option Plan

The following is a summary of the key provisions of the Option Plan.

The purpose of the Option Plan is to allow the Corporation to grant options to directors, officers, employees and consultants, as an incentive to dedicate their efforts to advance the success of the Corporation. The granting of options is intended to align the interests of such persons with that of the Shareholders.

Eligibility for Options

Pursuant to the Option Plan, the Board may, from time to time, authorize the issue of options to directors, officers, employees and consultants of the Corporation and its subsidiaries or employees of companies providing management or consulting services to the Corporation or its subsidiaries.

Administration

The Option Plan is to be administered by the Board or by a committee of two or more directors of the Corporation (the “**Committee**”) who may be designated from time to time to serve as the Committee for the Option Plan. Subject to the limitations of the Option Plan, the Board has full power to grant options, to determine the terms, limitations, restrictions and conditions respecting such options and to settle, execute and deliver option agreements and bind the Corporation accordingly, to interpret the Option Plan and to adopt such rules, regulations and guidelines for carrying out the Option Plan as it may deem necessary or proper, all of which powers shall be exercised in the best interests of the Corporation and in keeping with the objectives of the Option Plan. However, disinterested shareholder approval, as required under the policies of the TSXV, shall be required for any reduction in the Option Price or extension of term of an Option granted under the Option Plan if the Optionee is an insider of the Corporation at the time of such amendment.

Total Number of Securities Issuable and Securities Issued under the Option Plan

The maximum aggregate number of Common Shares reserved for issuance pursuant to the exercise of options granted under the Option Plan is 10% of the outstanding Common Shares as at the date of a stock option grant. If any option subject to the Option Plan is forfeited, expires, is terminated or is cancelled for any reason (other than by reason of exercise), then the maximum number of Common Shares for which options may be granted must be increased by the number of Common Shares which were the subject of such forfeited, expired, terminated or cancelled options. The maximum number of Common Shares must be appropriately adjusted in the event of a subdivision or consolidation of the Common Shares.

Option Price

The Option Price shall be determined by the Board or Committee, in its discretion, at the time such Option is granted, but such price shall not be less than the Discounted Market Price (as such term is defined under TSXV Policies). Subject to TSXV approval, the exercise price per optioned share under an option may be reduced at the discretion of the Board or Committee if (i) prior TSXV approval is obtained and at least six months has elapsed since the later of the date such option was granted and the date the exercise price for such option was last amended; and (ii) disinterested shareholder approval is obtained in accordance with TSXV Policies for any reduction in the exercise price under an option held by an insider of the Corporation at the time of the proposed reduction; provided that if the exercise price is reduced to less than the Market Price (as such term is defined under TSXV Policies), the TSXV's four month hold period will apply from the date of the amendment and further provided that no such conditions will apply in the case of an adjustment made in the event of any subdivision or consolidation of the Common Shares.

Tax Withholding

The Option Plan establishes that the Corporation shall have the right to withhold from any amount payable to an optionee such amount as may be necessary to enable the Corporation to comply with the applicable requirements of any federal, provincial, state or local law, or any administrative policy of any applicable tax authority, relating to the withholding of tax or any other required deductions with respect to awards under the Option Plan. The Corporation shall also have the right in its discretion to satisfy any liability for any withholding obligations by selling, or causing a broker to sell, on behalf of any participant such number of Common Shares issued to the participant pursuant to an exercise of options under the Option Plan as is sufficient to fund the withholding obligations (after deducting commissions payable to the broker), or retaining any amount or consideration which would otherwise be paid, delivered or provided to the participant under the Option Plan. The Corporation may require an optionee, as a condition to exercise of an option, to make such arrangements as the Corporation may require so that the Corporation can satisfy applicable withholding obligations, including, without limitation: (i) requiring the participant to remit the amount of any such withholding obligations to the Corporation in advance; (ii) requiring the participant to reimburse the Corporation for any such withholding obligations; or (iii) causing a broker who sells such shares on behalf of the participant to withhold from the proceeds realized from such sale the amount required to satisfy any such withholding obligations, and remitting such amount directly to the Corporation.

Eligible Participants under the Option Plan

Options may be granted to Directors, Officers, Employees, Investor Relations Service Providers and Consultants of the Corporation, who are, in the opinion of the Board or Committee, in a position to contribute to the success of the Corporation or any of its subsidiaries or who, by virtue of their service to the Corporation or any of its subsidiaries, are in the opinion of the Board or Committee, worthy of special recognition.

Participation Limits

- Unless the Corporation obtains "disinterested shareholder" approval in accordance with the policies of the TSXV, the maximum aggregate number of Common Shares that may be reserved under the Option

Plan for issuance to any one person (and, where permitted under the policies of the TSXV, any companies that are wholly-owned by that person), in any 12-month period must not exceed 5% of the outstanding Common Shares at the time of grant.

- **Insiders:** Unless the Corporation obtains “disinterested shareholder” approval in accordance with the policies of the TSXV:
 - (a) the maximum aggregate number of Common Shares that may be reserved for issuance to Insiders of the Corporation (as a group) under the Option Plan; and
 - (b) the maximum aggregate number of Options granted to Insiders of the Corporation (as a group) under the Option Plan within a 12-month period,may not exceed 10% of outstanding Common Shares at the time of grant.
- **Consultants:** The maximum aggregate number of Common Shares that may be reserved under the Option Plan for issuance to any one Consultant during any 12-month period must not exceed 2% of the outstanding Common Shares at the time of grant.
- **Investor Relations Service Providers:** The maximum aggregate number of Common Shares that may be reserved during any 12-month period under the Option Plan for issuance to all Investor Relations Service Providers must not exceed 2% of the outstanding Common Shares at the time of grant.
- **Eligible Charitable Organizations:** The maximum aggregate number of Common Shares that may be reserved under the Plan for issuance to all Eligible Charitable Organizations may not exceed 1% of the outstanding Common Shares at the time of grant.

Vesting of Options

Subject to the policies of the TSXV, an Option shall vest and may be exercised (in each case to the nearest full Common Share) during the option period in accordance with any vesting schedule as the Board or Committee may determine from time to time in its sole discretion. The vested portions of Options will be exercisable, in whole or in part, at any time after vesting.

Options issued to Investor Relations Service Providers will be subject to a vesting schedule of at least 12 months such that: (a) no more than $\frac{1}{4}$ of the Options vest no sooner than 3 months after the date of grant; (b) no more than another $\frac{1}{4}$ of the Options vest no sooner than 6 months after the date of grant; (c) no more than another $\frac{1}{4}$ of the Options vest no sooner than 9 months after the date of grant; and (d) remainder of the Options vest no sooner than 12 months after the date of grant.

Term of Options

The Option period for an option shall be determined by the Board or Committee at the time the options are granted and may be up to 10 years from the date the options are granted (subject to extensions where the expiry date falls within a Blackout Period). At the time options are granted, the Board or Committee may determine that, with respect to those options, upon the occurrence of an optionee ceasing to be a Director, Officer, Employee, Management Company Employee, or Consultant of the Corporation for any reason excluding termination for cause or death or on account of disability, there shall come into force a time limit for exercise of such options which is different than the option period, and in the event of such a determination, the option agreement for such option shall contain provisions which specify the events and time limits related to that determination. Subject to the applicable maximum option period provided for under the Option Plan and subject to applicable regulatory requirements and approvals, the Board or Committee may extend the option period of outstanding options beyond its original expiration date (whether or not such options are held by an Insider), provided such options have been outstanding for at least one year prior to such extension.

The Corporation may from time to time impose a Blackout Period, during which period a holder of the Options may not, subject to the terms of such Blackout Period (and the Corporation's blackout policy), exercise Options until the expiry of the Blackout Period. As such, the term of any Option that would otherwise expire during a Blackout Period will be extended by 10 trading days following the expiry of the Blackout Period, provided that: (a) the Blackout Period must be formally imposed pursuant to the Corporation's internal trading policies; (b) the Blackout period must expire upon the general disclosure of the undisclosed material information; (c) the automatic extension of the Options will not be permitted where the Optionee or the Corporation is subject to a cease trading order, or similar order under securities laws, in respect of the Corporation's securities.

Options issued to any Eligible Charitable Organization shall expire on or before the earlier of: (a) the date that is 10 years from the date of grant; and (b) the 90th day following the date the holder of the Options cease to be an Eligible Charitable Organization.

Causes of Cessation of Entitlement

Outstanding Options shall remain in full force and effect and exercisable according to its terms for the option period until the Optionee ceases to be a Director, Officer, Employee or Consultant of the Corporation for any reason, excluding death, disability or termination for cause, after which time the options which have vested will expire within ninety (90) days or, for those Optionees who are Investor Relations Service Provider, the Options which have vested will expire within thirty (30) days, of the cessation date.

In the event that the optionee shall cease to be a Director, Officer, Employee or Consultant of the Corporation by reasons of such Optionee's termination for cause, the Option shall terminate and shall cease to be exercisable upon such termination for cause. In the event that the Optionee shall cease to be a Director, Officer, Employee or Consultant of the Corporation by reason of such Optionee's disability, any Options held by such Optionee that could have been exercised immediately prior to such cessation shall be exercisable by such Optionee, or by his or her guardian, for a period of 30 days following the date of such cessation (if such Optionee dies within that 30 day period, any option held by such optionee that could have been exercised immediately prior to his or her death shall pass to the qualified successor of such optionee, and shall be exercisable by the qualified successor until the earlier of 30 days following the death of such Optionee and the expiry of the option period). In the event that the optionee shall cease to be a Director, Officer, Employee or Consultant of the Corporation by reason of such optionee's death, any options held by such optionee shall pass to the qualified successor of the Optionee and shall be exercisable by such qualified successor until the earlier of one year following the date of such death and the original expiry date of such Option.

Options which have not vested as of the cessation date shall terminate and cease to be exercisable on such date. Options which have not vested as of the date of an Optionee's death shall terminate and cease to be exercisable on such date.

Assignability and Non-Transferability of Options

Neither the Options nor the benefits and rights of any optionee under any option or under the Option Plan shall be assignable or otherwise transferable, except as specifically provided under the Option Plan in the event of the death or disability of an optionee. During the lifetime of the Optionee, all Options may only be exercised by the Optionee.

Amendment or Termination of the Option Plan

The Board reserves the right to amend or terminate the Option Plan at any time if and when it is deemed advisable in the absolute discretion of the Board; provided, however, that no such amendment or termination shall adversely affect any outstanding options granted under the Option Plan without the consent of the Optionee. Any amendment to the Option Plan shall also be subject to acceptance of such

amendment or amended option plan for filing by the TSXV and, where required by the TSXV, the approval of the Shareholders.

Any amendments to the Option Plan must also be approved by the TSXV and, if necessary, by the Shareholders of the Corporation prior to becoming effective. Existing incentive stock options are not affected by the vote at the Meeting with respect to the Option Plan.

Accordingly, Shareholders will be asked to pass an ordinary resolution, in substantially the following form, to re-approve the Option Plan:

RESOLVED, as an ordinary resolution, that:

1. the Option Plan, as described in the Corporation’s Circular dated May 11, 2022, be and is hereby ratified and approved;

SCHEDULE "B"

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

The Corporation and its Board consider good corporate governance to be central to the effective and efficient operation of the Corporation in order that the Corporation may achieve its goals of enhancing shareholder value over the long term by conducting its business activities in an effective, ethical and transparent manner. The Board is committed to sound corporate governance practices which are both in the interest of its Shareholders and promote effective and efficient decision making at the Board level. The Board has adopted a Code of Ethics to encourage and promote a culture of ethical business conduct amongst the directors, officers, employees and consultants of the Corporation. The Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations, and advocating awareness of the guidelines and policies detailed in the Code of Ethics.

National Policy 58-201 *Corporate Governance Guidelines* ("NP 58-201") establishes corporate governance guidelines which apply to all public companies. The Corporation has reviewed its own corporate governance practices in light of these guidelines. National Instrument 58-101 *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices for Venture Issuers in Form 58-101F2, which disclosure is set out below.

Board of Directors

The Board is currently composed of six (6) directors, three of whom are independent.

NP 58-201 suggests that the Board of Directors of every listed corporation should be constituted with a majority of individuals who qualify as "independent" directors under National Instrument 52-110 ("NI 52-110"), which provides that a director is independent if he or she has no direct or indirect "material relationship" with the corporation. "Material relationship" is defined as a relationship that could, in the view of the Corporation's board of directors, be reasonably expected to interfere with the exercise of a director's independent judgment. Of the proposed nominees, Robert Wares, the Chairman and CEO, and 10% security holder of issuer and Jeff Hussey, the President and COO, are "insiders" or management directors and accordingly are considered not "independent". In addition, Luc Lessard is a director of the issuer and the President and CEO of Falco Resources Ltd., and within the last three years he was a senior officer of Osisko Gold Royalties Ltd, an insider of the Corporation, which also indirectly controls more than 10% of the issued and outstanding common shares of Falco Resources Ltd. As a result, the Board of Directors has deemed Mr. Lessard not to be "independent". Mr. Siemens, Ms. Satov and Ms. Singer are considered by the Board to be "independent", within the meaning of NI 52-110.

In assessing Form 58-101F2 and making the foregoing determinations, the circumstances of each director have been examined in relation to a number of factors. The independent directors exercise their responsibilities for independent oversight of management, and are provided with leadership through their position on the Board and ability to meet independently of management whenever deemed necessary.

Expectations of Management and Ethical Business Conduct

The Board expects management to operate the business of the Corporation in a manner that enhances Shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Corporation's business plan and to meet performance goals and objectives.

Directorships

The following directors of the Corporation are directors of other reporting issuers:

<u>Name of Director</u>	<u>Name of Reporting Issuers</u>	<u>Markets</u>
Robert Wares	Brunswick Exploration Inc.	TSXV
	Osisko Green Acquisition Limited ⁽¹⁾	TSX
Luc Lessard	Falco Resources Ltd.	TSXV
Amy Satov	Osisko Mining Inc.	TSX
	O3 Mining Inc.	TSXV
	Brunswick Exploration Inc.	TSXV
Jeff Hussey	Brunswick Exploration Inc.	TSXV
Cathy Singer	Osisko Mining Inc.	TSX

Notes:

- (1) Osisko Green Acquisition Limited was incorporated on July 8, 2021. It is a "special purpose acquisition corporation" ("**SPAC**") with the aim to identify and complete a qualifying transaction within 18 months from closing of its initial public offering (subject to extensions in accordance with the terms of the SPAC)(the "**Permitted Timeline**"). Due to the nature of the SPAC, it is anticipated that Mr. Wares will cease to be a director of Osisko Green Acquisition Limited by the earlier of the end of the Permitted Timeline or the completion of a qualifying acquisition.

Orientation and Continuing Education

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing corporation policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Corporation's size and current limited operations.

The skills and knowledge of the Board as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing public companies in the natural resource sector. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Corporation's records. Reference is made to the table under the heading "*Election of Directors*" in the Circular for a description of the current principal occupations of the Corporation's Board members.

Mandate of the Board

The mandate of the Board is to manage or supervise the management of the business and affairs of the Corporation and to act with a view to the best interests of the Corporation. In doing so, the Board oversees the management of the Corporation's affairs directly and through the Board's audit committee, corporate governance committee and compensation committee. In fulfilling its mandate, the Board, among other matters, is responsible for reviewing and approving the Corporation's overall business strategies and its annual business plan, reviewing and approving the annual corporate budget and forecast, reviewing and approving significant capital investments outside the approved budget, reviewing major strategic initiatives to ensure that the Corporation's proposed actions accord with Shareholder objectives, reviewing

succession planning; assessing management's performance against approved business plans and industry standards, reviewing and approving the reports and other disclosure issued to Shareholders; ensuring the effective operation of the Board, and safeguarding Shareholders' equity interests through the optimum utilization of the Corporation's capital resources. The Board also takes responsibility for identifying the principal risks of the Corporation's business and for ensuring these risks are effectively monitored and mitigated to the extent reasonably practicable. At this stage of the Corporation's development, the Board does not believe it is necessary to adopt a written mandate, as sufficient guidance is found in the applicable corporate legislation and regulatory policies. However, as the Corporation grows, the Board may move to develop a formal written mandate.

In keeping with its overall responsibility for the stewardship of the Corporation, the Board is responsible for the integrity of the Corporation's internal control and management information systems and for the Corporation's policies respecting corporate disclosure and communications.

Each member of the Board understands that he or she is entitled to seek the advice of an independent expert if he or she reasonably considers it warranted under the circumstances.

The Board believes that its current composition, in which only three of six are considered not "independent", is sufficient to ensure that the Board can function independently of management.

Committee Responsibilities and Activities

Committees of the Board are an integral part of the Corporation's governance structure. At the present time, the Corporation has an Audit Committee, a Corporate Governance Committee and a Compensation Committee.

Nomination and Assessments

The Board, the Corporate Governance Committee and the individual directors hold the responsibility for the nomination and assessment of new directors. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members, the President, and Chief Executive Officer. Beginning in the financial year ended 2020, with the assistance of the Corporate Governance Committee, the Board implemented a formal assessment process whereby the Corporate Governance Committee conducted a detailed board and self-assessment survey. The survey is conducted through the distribution of questionnaires which are completed by each individual director. The Chair of the Corporate Governance Committee then reviews and summarizes the results and reports to all Board members during each respective year-end meeting.

Diversity Policy

During 2019, the Board approved the Diversity Policy, recognizing that gender diversity is a significant aspect of diversity and the important role women with appropriate and relevant skills and experience can play in contributing to the diversity of perspective on the Board. The Corporation has set, and has met, the objective of reaching 30% representation of women on the Board of Directors. Currently the Board consists of six (6) persons, two of whom (33%) are female.

In order to maintain this goal, the Corporate Governance Committee shall:

- maintain an evergreen list of potential candidates for election to the Board of Directors which list includes parity between men and women candidates; this list shall take into account that qualified candidates may be found in a broad array of organizations.
- periodically assess the effectiveness of the nomination process at achieving the Corporation's diversity objectives outlined in this Policy; and
- in order to support the specific objective of gender diversity, considers the level of representation of women on the Board and ensures that women are included in the short list of candidates being considered for a Board position; and
- when identifying potential candidates for the Board of Directors, the Corporate Governance considers the selection criteria approved by the Board, as well as its analysis of the Board's needs based on the above criteria. These selection criteria are reviewed periodically.

Stock Option Plans and Other Incentive Plans

The Corporation's current Option Plan is a "rolling" stock option plan, pursuant to which a maximum of 10% of the issued and outstanding Common Shares at the time an option is granted may be reserved for issuance pursuant to the exercise of incentive stock options. The Option Plan was ratified and approved most recently, pursuant to TSXV policy, by shareholders at the Corporation's annual meeting of shareholders held on June 23, 2022.

Under TSXV policy, all such rolling stock option plans must be approved and ratified by shareholders on an annual basis. Any amendments to the Option Plan must also be approved by the TSXV and, if necessary, approval by the disinterested shareholders of the Corporation obtained prior to becoming effective. Approval by the disinterested Shareholders means approval by a majority of votes cast by all shareholders at a meeting, excluding votes attached to Common Shares beneficially owned by insiders of the Corporation to whom options may be granted pursuant to the Option Plan and their associates in accordance with the policies of the TSXV.

Employment, Consulting and Management Agreements*Anthony Glavac, Chief Financial Officer*

The Corporation entered into a Management and Technical Services agreement effective May 1, 2018 with Falco (the "**Falco Agreement**"), Mr. Glavac's employer, whereby Mr. Glavac provided financial and consulting services to the Corporation as its Chief Financial Officer, including supervision of accounting, as well as preparation, review and filing of financial information of the Corporation. Pursuant to the Falco Agreement, for the financial year ended December 31, 2022, the Corporation paid Falco a fee in the amount of \$9,000 per month.

The base compensation of such individuals reflects the base compensation that the Corporation negotiated with them. The benchmark used by the Corporation to establish a fair compensation for its executives was composed of compensation surveys of ten Québec-based corporations active in the mining industry. This benchmark is deemed relevant since this method reflects the base compensation awarded to executives in the mining exploration sector who work in the same area as the Corporation. Such base compensation was also based on the experience and skills of, and expected contribution from, each Named Executive Officer, their roles and responsibilities and other factors.

Oversight and Description of Director and Named Executive Officer Compensation

The Compensation Committee is comprised of Amy Satov (Chair), Cathy Singer and Donald R. Siemens. The Compensation Committee members are required to consult with and make recommendations to the Board on the compensation and compensation plan matters of the Chairman, the President, the Chief Executive Officer, the Chief Operating Officer as well as the Chief Financial Officer of the Corporation. The members of the Compensation Committee review and approve the compensation of the Corporation's executive officers.

The compensation of the Corporation's Named Executive Officers has been established with a view to attracting and retaining executives critical to the Corporation's short and long-term success and to continuing to provide executives with compensation that is in accordance with existing market standards generally.

Compensation of the Corporation's Named Executive Officers is comprised of a base compensation and stock options under the Option Plan and fringe benefits or any combination of these elements.

Through its compensation practices, the Corporation seeks to provide value to its shareholders through a strong executive leadership. Specifically, the Corporation's Named Executive Officers compensation structure seeks to: (i) attract and retain talented and experienced executives necessary to achieve the Corporation's strategic objectives; motivate and reward executives whose knowledge, skills and performance are critical to the Corporation's success; (ii) align the interests of the Corporation's executives and shareholders by motivating executives to increase shareholder value, and (iii) provide a competitive compensation structure in which a significant portion of total compensation is determined by corporate and individual results and the creation of shareholder value and foster a shared commitment among executives by coordinating their corporate and individual goals.

Within the context of the overall objectives of the Corporation's compensation practices, the Corporation determined the specific amounts of compensation to be paid to each Named Executive Officer for the most recently completed financial year ended December 31, 2022 based on a number of factors, including: (i) the Corporation's understanding of the amount of compensation generally paid by similarly situated businesses to their executives with similar roles and responsibilities; (ii) the Corporation's executives' performance during the fiscal year in general and as measured against predetermined corporate and individual performance goals; (iii) the roles and responsibilities of the Corporation's executives; (iv) the individual experience and skills of, and expected contributions from the Corporation's executives; (v) the amounts of compensation being paid to the Corporation's other executives; and (vi) any other contractual commitments that the Corporation has made to its executives regarding compensation.

Base Compensation

The Corporation's approach is to pay its Named Executive Officers a base compensation that is competitive with those of other executives in similar businesses. The Corporation believes that a competitive base compensation is a necessary element of any compensation program that is designed to attract and retain talented and experienced executives. The Corporation also believes that attractive base compensations can motivate and reward executives for their overall performance. The base compensation of each Named Executive Officer is reviewed annually, and may be adjusted in accordance with the terms of such Named Executive Officers' employment/consulting agreement. Evaluations and annual adjustments, if any, to the base compensation of the Named Executive Officers are analyzed within the context of the terms and conditions of such agreements.

Stock Options

The Corporation's Option Plan is administered by the Board of Directors of the Corporation. The Board may delegate authority to administer the Option Plan to a committee of the Board. The Corporation's award of stock options to its Named Executive Officers under the Option Plan is a method of compensation which is used to attract and retain personnel and to provide an incentive to participate in the long-term development of the Corporation and to increase shareholder value. The relative emphasis of stock options for compensating Named Executive Officers will generally vary depending on the number of stock options that are outstanding from time to time. As of the date of thereof, 1,330,000 stock options have been awarded to the Named Executive Officers in respect of the financial year ended December 31, 2022. The Corporation generally expects future awards should be based on the following factors: (i) the terms and conditions of the Named Executive Officers' employment agreements; (ii) the executive's past performance; (iii) the executive's anticipated future contribution; (iv) the prior stock options awards to such executive; (v) the percentage of outstanding equity owned by the executive; (vi) the level of vested and unvested stock options and (vii) the market practices and the executive's responsibilities and performance.

The Corporation has not set specific target levels for the award of stock options to Named Executive Officers but seeks to be competitive with similar businesses. For further information regarding the Option Plan, see section entitled "*Equity Compensation Plan Information*".

Directors

Effective August 28, 2017, the Board approved director fees to be paid to each non-executive director of the Corporation in the amount of \$20,000 per annum and an additional \$5,000 per annum for each committee chair, to be paid in cash on a quarterly basis. In addition, the Lead Director is paid an additional \$5,000 per annum, paid in cash on a quarterly basis. All directors are entitled to be reimbursed for reasonable travel expenses incurred with respect to their attendance at meetings of the Board or any Board committee. In addition, each director is eligible to receive stock option awards pursuant to the Option Plan.

Pension Disclosure

The Corporation did not have any pension plans in place that provided for payments or benefits made to the NEOs or directors at, following, or in connection with retirement during the during the most recently completed financial fiscal year ended December 31, 2022
